DISTINGUISH YOUR WINES

Purchase 

As every year, from the first business day of February 2017 began the update of the World Ranking of Wines and Spirits 2017 (WRW & S 2017).

If your company participates in international Wine & Spirits contests, the wines / spirits of your company will be there, and for that we sincerely congratulate them and give the maximum worldwide communication.

The World Ranking Wines & Spirit (WRW & S®) groups the results of the contests through international spreadsheet system and analyzes the Wine and Wine Societies in each country, matching and correcting errors in wine and company names for quick search.

The annual closure of WRW & S is on January 31 of each year and after verifying data with publications and public or private communications of the contests, it is published on the web page of WAWWJ (www.wawwj.com) in definitive form To be used by wine companies immediately appears on the Internet. The final results are given in the first half of each year.

In 2016 there were 495 World Competitions (International and National) of which WRW only 80, which are international ones with more than 5 participating countries, - For the WRWS 2017, more than 700,930 wines are evaluated in the competition.
