

Oh! Orange wine

750 ml

SHORT DESCRIPTION

We are proud to present 'Oh', the first ORANGE wine from Montilla-Moriles!

'Oh' recovers the ancestral winemaking techniques, where the must ferments in contact with the skins, hence its pinkish tones. Minimal intervention for maximum expression of the Pedro Ximénez grape.

A white wine with the soul of a red. The wonder of fresh grapes... Oh!

TASTING NOTES

'Oh' will surprise you with its pale pink colour, aromas of fresh fruits such as apple and pear, with a tropical touch and subtle notes of white flowers and violet candy.

On the palate, it shows a refreshing acidity, with a light touch of caramel and lollipop sweetness.

GASTRONOMY

For pairing, orange wines are very versatile, as they have the acidity of a white wine and the structure of a red wine. It can be paired with salads, cured cheeses, spicy food, marinades, red meats, grilled vegetables, soups, creams and even hamburgers and cuts of meat.
